Canada in World War II

The Canada in World War II series explores the role Canadians played in this defining event in Canadian history. Each book in the series looks at a different aspect of Canada's involvement in the war. This includes the roots of the war, the effect of the war on Canada, the battles in which Canadians played a significant role, and the life of a soldier during the conflict.

Canada on the Battlefield

The Canada on the Battlefield series profiles some of the key battles in which Canadians participated during World War I. Readers will see how the battle unfolded and the role Canadians played in its outcome. Profiles of leaders and Victoria Cross recipients add a human perspective to these historic battles. Maps, charts, and infographics highlight the efforts of the Canadians and their Allied counterparts throughout the war.
Canada’s Provinces and Territories

The Canada’s Provinces and Territories series presents fascinating facts about the provinces and territories of Canada. Each title explores the geography, symbols, climate, economy, and cultural groups that make each province or territory a unique and valuable part of Canada.

Canadian Explorers

The Canadian Explorers series outlines the brave adventurers who explored and mapped the land that would one day be known as Canada. Each book expands on the early experiences, successes, and challenges each explorer faced using detailed text and vivid images.

Canadian Prime Ministers

The Canadian Prime Ministers series explores the lives of Canada's political leaders. Each volume explores the early life, campaigns, and accomplishments of a politician who has been elected to represent Canada to the rest of the world. Highlighting the life and times of each notable leader, this biography series provides an in-depth look at what inspired each prime minister to enter politics and how it influenced his or her term in office.
Canadian Writers

Canadian Writers is a biography series that profiles and celebrates some of Canada’s most significant children’s authors. Each title explores the life of a well-known writer and examines his or her most popular books. Timelines, insider info, and literary achievements help readers to track the journeys of these great Canadian wordsmiths from aspiring writer to published author.

Governing Canada

The Governing Canada series explores the different roles and responsibilities of key figures in Canadian government. Each book in the series examines the history of a role, its position in Canada’s government structure, and the specific tasks assigned to it. Readers will become acquainted with the people who work in Canada’s government, where their work is done, and the jobs they do on a daily basis.
Standing on Guard

The Standing on Guard series examines the structure, history, and requirements of the forces that protect Canada and its allies. It also explores the uniforms, equipment, and technology used by the brave men and women who serve on behalf of Canada.

Aboriginal Homes

Learn about the traditional homes of Canada's Aboriginal Peoples in this informative series for young readers. Each Aboriginal Homes book explores construction techniques, materials, and features of the home that are explained in easy-to-read text. Colourful photographs and detailed diagrams enhance the reader's understanding of how each type of home suited the traditional lifestyles of each Aboriginal group.

Aboriginal Legends of Canada

Storytelling has always been an important part of the cultural life of Canada's Aboriginal Peoples. Aboriginal Legends of Canada highlights the key legends of each Aboriginal group. Some are told to entertain. Others teach important lessons. Each book examines the meaning behind the legends and the importance of the stories to the people.
Canada in World War I

The Canada in World War I series explores the role Canadians played in this defining event in history. Each book in the series looks at a different aspect of Canada’s involvement in the war. This includes the roots of the war, the effect of the war on Canada, the battles in which Canadians played a significant role, and the life of a soldier during the conflict.

Canada’s Governing Bodies

The Canada’s Governing Bodies series explores the different roles and responsibilities of each arm of Canada’s government. Each book in the series examines the unique perspective and history of the different bodies that make up Canada’s system of government. Readers will become acquainted with the people who work in each government body, where their work is done, and the actions they have taken to make Canada the country it is today.
Canada’s Structural Wonders

Canada’s Structural Wonders identifies some of the country’s best-known structures, exploring their history, the people responsible for their creation, and the science behind their construction. Each title features informative text, colourful photographs and maps, and a timeline detailing the steps in construction.

Canadian Business

The Canadian Business series focuses on Canada’s iconic companies, exploring their history, marketing techniques, and contributions to the Canadian and international financial scene. Maps, graphs, and timelines are interspersed with informative text to provide a clear understanding of how each company operates. Profiles of people and job positions in the companies introduce readers to possible career paths.
Canadian Football Teams

Canadian Football Teams introduces young readers to the history, players, and records of Canada’s top professional football teams. The legendary players and historic moments of each team come to life with large, vibrant photos, clear text, and fascinating facts. Each book also includes player profiles for both past and present stars of the team, a list of team records, and an evaluation quiz. Young football fans across the country will be drawn to this engaging series.

Canadian History Timelines

The Canadian History Timelines series pairs engaging images with educational text to give readers an inside look at important moments in Canada’s history. Readers will be pulled into the setting and gain an in-depth understanding of pivotal moments as they read exciting, high-interest stories that focus on the people involved.

Canadian Icons

The Canadian Icons series explores the symbols that helped shape the nation’s identity. Each book recounts how a symbol came to be important to Canada and what role this symbol continues to play in Canadian society today.
Canadian Issues

The Canadian Issues series examines the current social, political, and economic issues facing Canada. Developed in a debate format, each side of the book presents a different perspective on an issue relevant to Canada today. The historical context of each subject is covered along with likely future developments, adding up to a fascinating look at key modern-day issues.

Coming to Canada

Coming to Canada celebrates the rich history and colourful heritage of the many peoples and cultures that call Canada home. Readers travel back in time to learn about Canada’s first inhabitants. From the Aboriginal peoples who lived here first to the early European settlers, the cultural traditions of each group of people helped shape the nation. Each book in this series highlights the contributions these diverse peoples have made to the country.

Defining Moments in Canadian History

The Defining Moments in Canadian History series pairs engaging illustrations with educational text to give readers an inside look and in-depth understanding of the defining events that shaped Canada. From well-known battles to historic political moments, Defining Moments in Canadian History has it all.
Early Canadians

Learn about the lives of the people who first settled Canada in Early Canadians. This series teaches young readers about the different jobs that early settlers had in Canada. It also helps students understand what a typical day was like for the people in these roles. From the tools they used to how the jobs have changed over time, Early Canadians covers many essential topics about life in early Canada.

First Nations

The First Nations series introduces readers to the traditional ways of Canada’s First Nations. How did people do their work? How did they make music? Each First Nation has its own answers to these questions. As readers explore each aspect of First Nations life, they will see how Canada’s First Nations developed their own unique societies using nature and the environment as their guides.
The *Life in Early Canada* series compares the lifestyles of people who lived on the land in the 1800s. Where did people live? How did they get their work done? Each book in the series focuses on one aspect of life and how different communities of people worked and played on the Canadian frontier.

*Life in Early Canada* presents fascinating facts about the geography, history, and symbols of each province and territory of Canada. This series introduces readers to Canada through vivid images and engaging text, giving them an exciting look at the places that make up this vast and diverse country.
